

Song 8

- 1. Blessed blessed Christ our Lord and King!
May we praise Thee through eternity;
Glory honour be unto Thy Name,
Now and forevermore.**

**We hail Thee, we hail Thee!
Blessed King of Heaven glorified;
Hail Thee, we hail Thee!
Accept our praises now.**

- 2. All the hosts of Heaven praise Thee!
Kneeling singing glory be to Thee;
All the mankind join in praising Thee,
Thou art the King of kings. - We hail Thee...**
- 3. O that conquered sin and death and hell!
May Thy spirit reign over us;
We will conquer in the New Name;
Forever we will live. - We hail Thee..**
