

Song 16

- 1. Great are the deeds thou hast done in our lives,
Adoring we worship thy holy name;
Together we praise thy wondrous grace,
Oh, thou beloved of our souls.**

**Glory to thee Christ Jesus alone, - 2
All that hath breath join and sing along:
Glory to thee, Christ Jesus alone!**

- 2. Oh thou Almighty King of Kings,
Revealest thyself to the ones who believe;
Where two or three are united in prayer,
Thy presence will be among them right there.**
- 3. Thou hast redeemed us oh King of our souls,
Hast filled with thy spirit and made us thine own;
With eternal life thou hast blessed us in love,
Forever and ever thine we shall be.**
