

Song 32

- 1. How did this come, to one like me,
That I can see myself with Thee;
The pearly gates were open wide,
Rejoicing believing I went inside;
Living Word, true Word, brought me to this heavenly place.**

**You are the King of kings,
You are the Lord of lords,
You are upon the throne;
You are the King of kings,
You are the Lord of lords,
Glory to Thee alone;**

**You are the King of kings,
You are the Lord of lords,
I now belong to Thee;
You are the King of kings,
You are the Lord of lords,
United I am with Thee.**

- 2. Him I can see, Him I can see,
In beauty I behold His face;
As a jewel of His He stole me away,**

**In His holy temple I have a place
Living Word, true Word, brought me to this heavenly place.**

**3. How did it come to one like me,
The resurrected saints I see?
We can hear the voice of the Living Word;
United we rise before the Lord.
Living Word, true Word, brought me to this heavenly place.**

**4. We are redeemed, we are redeemed,
No tears nor sorrow we bear;
We're free from all earth's grief and care;
Through the Lamb that has taken our sins away.
Living Word, true Word, brought me to this heavenly place.**
