

Song 20

- 1. God's Son is on earth - His own to gather
And take them back home - When day is done
The living Bridegroom - The word incarnate
Oh Hallelujah, for us He's come.**

- 2. The Lord of Glory, in flesh appearing
Emmanuel living among His own
The secret hidden through all the ages,
Oh Hallelujah, The rolling stone.**

- 3. His mercy to us endureth ever
His goodness reaches even to me.
Soon in His likeness, oh glorious dawning,
We will dwell with Him - Eternally.**
